JOIN to Make Landmark Debut at ASCP Annual India Supply Chain 2026 Conference

The Association of Supply Chain Professionals (ASCP) is proud to announce that **Japan Overseas Infrastructure Investment Corporation for Transport & Urban Development (JOIN)** will participate in the ASCP Annual India Supply Chain 2026 Conference to be held on September 11, 2026 in Mumbai, India.

This marks JOIN's first engagement with ASCP and a formal introduction of the organisation to India's supply chain professional community.

The Representative Director of JOIN will deliver a significant presentation at the conference.

The topic of the presentation will be announced next week.

ASCP looks forward to facilitating this important dialogue and strengthening India–Japan collaboration in infrastructure, logistics and responsible supply chains.

ASCP is also proud to have **Japan Association for Logistics and Transport (JALoT)** as the Exclusive **Partner** of the ASCP Annual India Supply Chain 2026 Conference, following the historic MoU signed between the two organizations last month.
